

Fault In Our Stars

Kaka Singh & Dhoomketu Uncle - 2

Work & Muhurat Package

After few months, Government changed its policies which is favouring online retailers like Amazon & is hard on Kariyana shop owners, due to which Kaka Singh had to shut down his shop.

Now our young man is again somewhat depressed and confused about what to do now. He again thought of opening a tuition center but he still remember Dhoomketu Uncles words *“Teaching mat karna, barbaad ho jaoge varna”*.

So he again went to Dhoomketu Uncle with sadness :

Kaka Singh :Dhoomketu Uncle aapne kha tha Kariana Shop karo lekin fir vo band kyun ho gyi :(, Ab main kya karun.

Dhoomketu Uncle : Beta kyunki tumne kaam Shubh Muhurat dekh k nahi start kiya tha. Agar chahte ho main Shubh Muhurat & Work dono btaun to buy my “Work & Muhurat Package” , And will also guide you about name of the business. And fir agar kaam nahi chala toh main apni moonchh katva lunga

By seeing this guarantee, Kaka Singh bought that consultation package. And this time Dhoomketu uncle guided him to go into the business of Alcohol & Wines and start it at a particular time and date according to Shubh Muhurat with a Lucky Name.

Although Kaka Singh & his family do not consume & like alcohol,
but one has to do something for his life.

So now Kaka Singh is running a very successful Wine Shop by the name of “Jai Shree Ram Wines” which was opened at the exact time of Shubh Muhurat given by our respected Dhoomketu Uncle.

Although Kaka Singh knows that Alcohol is bad for personal & societal health.
But still he opened his Wine shop in Labour Area of his city
as there was no competition in that area.

He knows maximum labour of his city is now drinking daily because of the ease of access of his shop in their area.
He knows that many accidents in that area happened because his alcohol.
He knows that many families are suffering because of the habit of daily drinking by the man of their house.

But Kaka Singh is happy because his business is flourishing.

And when his conscience asks him about the above points,
Kaka Singh answers his soul by saying:

*“Customer to Bhagwaan hota hai,
aur humaara kaam hota hai usko jo chahiye vo dena.
Aur agar main nahi toh koi aur bechega unko, toh kyun na main hi paisa kma lun..?
Aakhir Maine bhi toh apne sapne poore karne hain..”*

Our Kaka is happy & feeling blessed that he went to Dhoomketu Uncle & opened
Jai Shree Ram Wines on Shubh Muhurat.

Now the questions are

Question 1: If someone is doing a work which itself is Ashubh then how does it matter if it has been started on Shubh Muhurat or not...?

Example:

If a thief going for stealing by checking Shubh Muhurat.

Or A boy proposing a girl for wrong reason but by checking Shubh Muhurat.

On other side,

Question 2: If someone is about to do something which itself is Shubh then why to wait for Shubh Muhurat...?

Example:

A mother cooking food for her hungry child at odd hours on so called unauspicious night. (Love)

A soldier going to face terrorists although it's his unlucky day & time according to his Horoscope. (Karmayoga)

No, I am not saying doing such & such business is Ashubh or Shubh.
It is everyone's own understanding & honesty.

But if we know that our working is worsening the society then how can we ignore it...?
Or How can we sleep with peace?

We know many such prestigious professions and high networth people
whose greedy actions are causing harm in our society,
and we don't like it.. Haina.

I don't know which work is good and which work is bad.
But we need to question ourselves that

If we are earning money by making someone's life worse
then is it really a success?

PS: Outside Jai Shree Ram Wines there is big hoarding of Bollywood's superstars
promoting another such healthy product.
