

Fault In Our Stars

Kaka Singh & Dhoomketu Uncle - 3

Kaka Singh Ki Shaadi

Kaka Singh's business is doing well, so now came the time for him to get married.

Kaka is also very happy and excited because now his dream will come true of marrying his childhood love.

Both of them loved each other since childhood and their families also knows & happily accepts this decision of marriage.

So with full of excitement Kaka Singh shared this happy news with Dhoomketu Uncle.

Then just like that, Dhoomketu uncle asked time, dob etc of that girl.

And when Dhoomketu Uncle saw the girls kundali, he immediately suggested Kaka to not to marry her, as their kundalis are not at all compatible.

Our Kaka got shattered and ask Dhoomketu Uncle:

“Koi upaaye nahi ho sakta kya? Vo ped vagerah se shadi krne vala ya aisa kuchh aur?”

But Dhoomketu Uncle said no. And warned him again

“Agar is ladki se ki shaadi, to ho jayegi tumhare business ki barbaadi”.

Although Kaka got disheartened but what else he could do.
So now Kaka is married with some another girl who was selected & recommended
by our Dhoomketu Uncle.

Yes, Kaka sometimes feel sad and bad for leaving behind his childhood love.
But he is happy also that this marriage saved his business.

He often console himself by saying

*“Toh kya hua, sab aise hi toh karte hain marriage, look at my parents. And moreover
mera Jai Shree Ram Wines ka kaam bhi toh bach gya na barbaad hone se.”*

No doubt, the girl who is now Kaka’s wife is in no way lesser than the
girl who Kaka loved. And both of them really look beautiful together.

And both families are also very happy with this marriage.

Nothing is missing in their life, instead just that
someone could now follow his heart.

The question before us is
If we love someone then, do we need our planets permission to be with him or her?

Does it mean that before loving someone
we should always check with our Dhoomketu Uncles first?

And what if
someone's Kundalis and all are matching but love is missing
then.... then would it be ok?

What should we give more weightage to...?
Horoscope Or Love?

Kya milna zayda zaroori hai...?
Kundali ya Dil?
