

Fault In Our Stars

Kaka Singh & Dhoomketu Uncle - 4

Kaka Singh Aur Upaayon Ki Duniya

Now our Kaka Singh is settled in his life with the blessings of Dhoomketu Uncle.

As Kaka has made two of the biggest decisions of his life
of choosing the work and choosing the life partner with Uncle's help,
Kaka is now much more dependent on his guidance for everything in his life.

If there is any size & kind of issue he quickly run to Dhoomketu uncle for help.
If any challenge comes related to Health, Relationship, Business,
Kids, Property, Taxes... or anything,
Kaka singh always seek help of Dhoomketu Uncle.

So as suggestions by Dhoomketu Uncle,
Kaka is now doing many upaays and all to run his life smoothly.

Upaays;

They are really very cool thing to do, you must have seen them too...

There are different type of upaays like:

- To feed animals or bird or insects...
- To wear certain color on certain day...
- To do charity or donate something in religious place...
- To donate clothes and shoes etc...
- To wear this mala or ring or stone...
- To wear tilak or something like that...
- To do pooja or visit religious place...
- To stop eating something or to start eating something or to keep fasts...
- To give water to certain plant or sun...
- To do certain prayers... or do sewa somewhere...

And many other innovative, interesting & colorful
such things, tasks & disciplines....

No no no, don't take me wrong, I am not against the upaays
or not even raising any question on them.

In fact doing upaayes is something of which we can even become fan of because:

- They give hope
- They are harmless
- They drive the economy
- They keep the person busy in something or another
- They make people look more interesting with new jewels and stones and colors

So is the case of our Kaka Singh, he is now totally into into upaays.....
and like us, he is also liking them.

Kaka Singh's Life with upaays:

On Tuesdays.... he keeps fasts, don't speak lie, don't use mobile & sleep on floor

On Wednesdays... he eats only green vegetables & sleep in a particular direction

On Thursdays... he do Dhoomketu Vandana, water plants & follow bharmcharya

On Fridays... he dont eat Onion Garlic & feed birds, cows and black dogs

On Saturdays... he goes to temple & take dip in holy lake & distribute 2 kg Laddoos

On Sundays... he organise langars, wear pink kurta & gold kada of 9.75 gm on right wrist

On Mondays... he changes his 2 rings, 3 Malas, use purple car & do mala jap 108 times

And many other daily & periodic rituals and things as
Dhoomketu Uncle suggests time to time.

Nothing is wrong in Kaka Singh's life now, Nothing.

Although he is not in the work he wanted to do,

Although he is not married to the girl he wanted to marry....

But his life is now going very good and smooth with the time to time upaays.

The only thing is that although these upaays and disciplines made Kaka Singh's personality very colorful and interesting,

But behind the protecting shield of these upaays,

There is a man who has now become coward from inside, who now thinks that only doing upaays can run his life smoothly,

A man who thinks that there is a fault in his stars.

Even that is ok , but you know the worse thing is that... Kaka's kids might catch, learn & carry this belief too that there is nothing in their control & will depend on some other Dhoomketu Uncles for everything :(

May they find a upaaye which can save them from drowning into this black hole of Vehamology.

Confession:

I am also trying to find a upaaye
to bring a Swami Vivekananda in every Kaka Singh's life.

If you find such upaaye then please share...
We need to save our Kaka's from falling into the black hole of Vehamology.

Till then let us try to awaken the 0.001% of Swami Vivekananda in ourselves
so that we can at least become a spark of hope for people around us.
