Once *Kubera - Dhan Ka Devta*, went to *Kailash parbat* to meet Lord Shiva, he saw a little cute Ganesha sitting there without any food. Kubera felt bad for the little child as Ganesha was looking like someone who is very fond of food and he is sitting here in Kailasha where nothing much is available for him to eat.

So Kubera took Ganesha with him to his palace to feed him properly. But when he starts feeding Ganesha, he got shocked as Ganesha was not getting satisfied and keep eating more and more of his food.

Kubera felt anxious and nervous that if Ganesha don't stop eating then all of Kubera's wealth will vanish. Then with heavy heart he requested Ganesh to please stop eating and felt sorry that he is unable to satisfy his hunger and Ganesha returned to Kailasha.

“We cannot impress a Ganesha with our wealth or resources like a Kubera. We can only Impress a Ganesha with a our character like of Shiva, and Ganesha will then stay at our side by his own will.”

A little prayer from my side:

“O My Friend Ganesha, Tu Rehna Sath Hamesha ”

Home Work: : Let us try to find our what is the character of Shiva that Ganesha loves to stays at his side.
